

***Bishop Spencer Place's York honored with national  
Excellence in Action award for superior workforce satisfaction***

Congratulations to York Place on recently receiving My InnerView's Excellence in Action award for workforce satisfaction. This award recognizes those providers that performed in the top ten percent of nursing homes nationwide. Neil Gulsvig, President, My InnerView, said, "This year's award recipients deserve to be recognized and applauded for their dedication to workforce satisfaction."

To be eligible for the award, Bishop Spencer Place completed a workforce satisfaction survey in 2009, had a minimum 30% response rate, and scored in the top 10% of qualifying facilities on the questions "What is your recommendation of this facility as a place to work?" in terms of the percent of respondents rating the nursing home as "excellent." Over 5,000 nursing homes in the country participated in the 2009 satisfaction survey.

Congratulations to the dedicated staff in York and to the entire Bishop Spencer Place community!
